

# STA-KILL PROFESSIONAL DEODORISER

Very powerful deodorizers with bactericide containing urine stain neutralising agents. Sta-kill is the professional's choice for eradicating malodours from urine, vomit, mildew, smoke, cooking and pet odours. Having a neutral pH, Sta-kill may be used safely on all surfaces, including carpets, fabrics, wood, ceramics, plastics and vinyl and is excellent when used as a pre spray for soiled items prior to machine or hand washing.

When tested to BSEN1276, STA KILL passed against the following organisms:  
S.aureus STAPHYLOCOCCUS aureus  
E.hirae ENTEROCOCCUS hirae  
MRSA METHICILLIN-RESISTANT STAPHYLOCOCCUS AUREUS  
C Difficile Clostridium difficile

**Re-Order: 6 x 750ml triggers**

# SANITAIRE

## Emergency Clean Up Powder with deodoriser

**"The immediate way to deal with spillages in emergency situations"**

### DESCRIPTION

Sanitaire is a revolutionary, biodegradable, non-toxic emergency treatment for the safer control of all accidents involving body fluids, such as vomit, urine and blood, as well as food and drink spillages. Sanitaire will absorb up to 400 times its own volume and contains a powerful bactericide, effective against gram positive and gram negative bacteria. It's produced in a white powder with subtle floral fragrance.

### APPLICATION

It's suitable for use on all surfaces and fabrics, even upholstery.

### DIRECTIONS

Sprinkle Sanitaire liberally over the spillage and contaminated area and wait for about 90 seconds. Sanitaire will absorb the spillage and trap odour-bearing droplets within an inert jelly that can then be scooped or swept up with a stiff brush. Dispose of into a toilet or suitable receptacle

**Re-Order: 10 x 240gm shakers**

**40gm sachets**
